

Wyers End Homeowners' Association

Rule (Definitions)
Adopted June 20, 2018

Boats, trailers, commercial vehicles, motor homes, campers, and other recreational vehicles, regardless of weight, shall not be parked or left unattended on any part of the Common Area or the Lots, including inside garages, at any time (CC&Rs ¶ 4.8).

Definitions used by the Association

Commercial vehicles are those marketed as commercial by the manufacturer, tall vehicles with room to stand in, cargo vans and those vehicles (with the exception of cars and pickups) used in support of a commercial enterprise.

Other recreational vehicles are those marketed as RVs by the manufacturer and those vehicles (with the exception of cars and pickups) expressly outfitted or purposely altered for recreation.

Campers are conveyances (often towed behind a vehicle) marketed for camping (such as camping trailers, travel trailers, collapsible trailers, tent trailers) but also include 1) pop-up tops, camper tops or camper shells carried in beds of pickups, 2) 5th wheels and 3) campervans with raised roofs (pop-up or fixed).

Motor Homes are those marketed as self-propelled recreational vehicles by the manufacture and include buses converted into RVs.
